To Whom It May Concern at WorkSafe Victoria,

**CONSULTATION: ELIGIBLE PROGRESSIVE DISEASES**

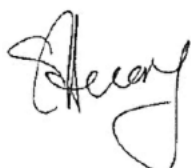

I am writing to you as **President of the Victoria Branch Committee of the Australian Lawyers Alliance (ALA)**. The ALA is a national association of lawyers, academics and other professionals dedicated to protecting and promoting justice, freedom and the rights of the individual.

The ALA is grateful for the opportunity to respond to WorkSafe's revised proposal regarding the addition of uterine, cervical and ovarian cancers to the list of eligible progressive diseases (EPDs) under section 51A of the *Workplace Injury Rehabilitation and Compensation Act 2013* (Vic).

**The ALA strongly supports a new Governor in Council Order being issued in order to add uterine, cervical and ovarian cancers to the list of EPDs.**

Thank you for your attention on this important matter. Please do let me know if I can be of further assistance, in which case please direct correspondence to Elenore Levi, Policy and Advocacy Manager, Australian Lawyers Alliance, at [elenore@lawyersalliance.com.au](mailto:elenore@lawyersalliance.com.au).

Yours sincerely,

**Susan Accary**
